Executive Vice President
Oracle Applications Development
September 21, 2023

Safe Harbor Statement

Statements in this presentation relating to Oracle's future plans, expectations, beliefs, intentions and prospects are "forward-looking statements" and are subject to material risks and uncertainties. Many factors could affect our current expectations and our actual results, and could cause actual results to differ materially. A detailed discussion of these factors and other risks that affect our business is contained in our U.S. Securities and Exchange Commission (SEC) filings, including our most recent reports on Form 10-K and Form 10-Q, particularly under the heading "Risk Factors." Copies of these filings are available online from the SEC or by contacting Oracle's Investor Relations Department at (650) 506-4073 or by clicking on SEC Filings on the Oracle Investor Relations website at www.oracle.com/investor/. All information set forth in this presentation is current as of September 21, 2023. Oracle undertakes no duty to update any statement in light of new information or future events.
