FAQ's, Guidelines and Recommendations

- 1** What do I need to get started?
 - A Webcam is required.
 - It can be an internal or external webcam.

- 2** Be sure to run your test on the same network and computer you will use on exam day.
 - Do not use your work laptop when online testing at home. It is recommended to use a home device as unexpected firewall issues may occur.
 - [System Requirements](#)

- 3** Is it different if I subscriber to an Oracle Learning Subscription?
 - If you are a Learning Subscription subscriber your exam appointment and any rescheduling must be done from within your active learning subscription account.
 - [Download this guide](#) on accessing the exams in your learning subscription.

- 4** My test session status changed to Expired as I waited for the online proctor. Who can help me reschedule my exam? Who can help me restore my payment, discount or voucher?
 - [Please Contact Us](#) (Live Chat option coming soon...) We will work with the Pearson VUE team and submit an SR to our [Oracle Certification Support team](#) on your behalf.

- 5** Are there any locations where Online Proctored testing isn't available? Where Online Proctored Testing is Restricted
 - **Slovenia** - No delivery allowed due to data privacy restrictions - cannot transfer data outside of country borders.
 - **Japan** - Online Proctored testing is only available in English.
 - **Cuba, Iran, North Korea, Sudan, and Syria** - Oracle Certification testing cannot be delivered in these countries even in test centers due to US trade embargo.
