

## ORACLE FINANCIAL SERVICES SOFTWARE LIMITED

### List of approved Corporate Social Responsibility (CSR) Projects for the financial year 2021-22

SL. NO.	ORGANIZATION	PROJECT DESCRIPTION
1.	Narayana Hrudayalaya Charitable Trust	Support for COVID-19 vaccination drives, as well as the Give4Life initiative, which provides life-saving medical treatment to underserved patients.
2.	Sewa International	Support for COVID-19 relief activities, including delivering critical supplies and services, supporting vaccination drives, and raising awareness about WASH (Water, Sanitation and Hygiene) best practices.
3.	Samarthanam Trust for the Disabled	Support for COVID-19 relief activities, including equipping government testing labs with COVID-19 testing kits to help containing infections among underserved families and people with disabilities. Grant also provided for higher education and vocational training for young adults with disabilities.
4.	Swades Foundation	Support for underserved families impacted by the pandemic through employment opportunities, income diversification training, and financial security resources for single income families in rural areas.
5.	Save the Children India - Bal Raksha Bharat	Support for vulnerable children and adults through Integrated Child Development Service centers providing health, nutrition, education, and WASH services and systems to ensure students could safely return to school.
6.	Magic Bus	Support for COVID-19 relief activities, including support for underserved children and youth, through digital literacy and remedial classes, life skills training, vocational courses, and employment assistance.
7.	Sambhav Foundation	Support for COVID-19 relief activities, including support for COVID-19 vaccination drives, as well as livelihood support for women and youth through skills development.
8.	Goonj	Support for health and hygiene programs for women and girls in promoting safe water, nutrition, and sanitation practices.
9.	Going to School	Support for the Scrappy Play City and Back to School TV programs, which provided distance learning for millions of students during the pandemic.
10.	Teach for India	Support for the Fellowship program, which places full-time teaching fellows in under resourced schools, many of which were disproportionately impacted by the pandemic.
11.	WaterAid	Support for COVID-19 relief efforts by improving WASH programs and infrastructure primary health centers to ensure a safe and healthy environment for women, children, and frontline health workers.
12.	PM CARES Fund	Contribution to The Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund.
