ORACLE LINUX AND ORACLE VM LICENSE AGREEMENT

Section A: General Terms
Section B: Terms for Oracle Linux and Oracle VM Server
Section C: Terms for Oracle VM Manager

Section A: General Terms

1.   General Definitions. "We," "us," "our," and "Oracle" refers to Oracle America, Inc. "You" and "your" refers to the individual or entity that has acquired the Software. "Software" means the Oracle Linux, Oracle VM Server, and Oracle VM Manager software programs that Oracle makes available to you for which these license terms apply. "Software Documentation" means user manuals and installation manuals for the Software; Software Documentation may be delivered with the Software and may be accessed online at http://www.oracle.com/documentation. "Separate Terms" means separate license terms that are specified in the Software Documentation, readme files, or notice files and that apply to Separately Licensed Third Party Technology or separately licensed Oracle technology. "Separately Licensed Third Party Technology" means third party technology that is licensed under Separate Terms.

2.   Export. Export laws and regulations of the United States and any other relevant local export laws and regulations apply to the Software. You agree that such export control laws govern your use of the Software (including technical data), and you agree to comply with all such export laws and regulations (including "deemed export" and "deemed re-export" regulations). You agree that no data, information, program, and/or materials resulting from services (or direct products thereof) will be exported, directly or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation, or development of missile technology.

Accordingly, you confirm:
- You will not download, provide, make available, or otherwise export or re-export the Software, directly or indirectly, to countries prohibited by applicable laws and regulations nor to citizens, nationals, or residents of those countries.
- You are not listed on the United States Department of Treasury lists of Specially Designated Nationals and Blocked Persons, Specially Designated Terrorists, and Specially Designated Narcotic Traffickers, nor are you listed on the United States Department of Commerce Table of Denial Orders.
- You will not download or otherwise export or re-export the Software, directly or indirectly, to persons on the above mentioned lists.
- You will not use the Software for, and will not allow the Software to be used for, any purposes prohibited by applicable law, including, without limitation, for the development, design, manufacture, or production of nuclear, chemical, or biological weapons of mass destruction.

3.   Third Party Technology. The Software may contain or require the use of third party technology that is provided with the Software. We may provide certain notices to you in Software Documentation, readme files, or notice files in connection with such third party technology. Third

Party Technology will be licensed to you either under the terms of this Agreement or, if specified in the Software Documentation, readme files, or notice files, under Separate Terms. Your rights to use Separately Licensed Third Party Technology under Separate Terms are not restricted in any way by this Agreement. However, for clarity, notwithstanding the existence of a notice, third party technology that is not Separately Licensed Third Party Technology shall be deemed part of the Software and is licensed to you under the applicable terms of this Agreement.

4.   No Technical Support. Our technical support organization will not provide technical support, phone support, or updates to you for the Software. Technical Support, if available, may be acquired from Oracle or its affiliates under a separate agreement.

5.   Relationship Between the Parties. The relationship between you and us is that of licensee/licensor. Neither party will represent that it has any authority to assume or create any obligation, express or implied, on behalf of the other party, nor to represent the other party as agent, employee, franchisee, or in any other capacity. Nothing in this Agreement shall be construed to limit either party's right to independently develop or distribute software that is functionally similar to the other party's products, so long as proprietary information of the other party is not included in such software.

6.   Entire Agreement. This Agreement constitutes the entire agreement between you and Oracle with reference to your use of the Software. Any additions or modifications must be made in writing and signed by both parties. The terms of this Agreement shall supersede the terms of any purchase order or other instrument issued by you under this Agreement.

This Agreement, and all matters arising out of or relating to this Agreement, shall be governed by California law. Any legal action or proceeding relating to this Agreement shall be instituted in a state or federal court in San Francisco or Santa Clara County, California. You and Oracle agree to submit to the jurisdiction of, and agree that venue is proper in, these courts in any such legal action or proceeding.

In the event that any provision of this Agreement is held to be invalid or unenforceable, the remaining provisions of this Agreement will remain in full force and effect. Neither the Uniform Computer Information Transactions Act nor the United Nations Convention on the International Sale of Goods applies to this Agreement.

Section B: Terms for Oracle Linux and VM Server

1.   Section B Definitions. "Oracle Linux Programs" means the Oracle Linux software which Oracle is making available for your download and/or use. "Oracle VM Server Programs" means the Oracle VM Server software which Oracle is making available for your download and/or use. For purposes of this Section B, "Programs" means the Oracle Linux Programs or the Oracle VM Server Programs, both singly and collectively. "Additional Programs" means certain Separately Licensed Third Party Technology or separately licensed Oracle technology that may be included on the same medium or as part of the download of the Programs.

2.   Licenses to the Programs. Subject to the terms of this Agreement, Oracle grants to you a license to the Programs under the GNU General Public License, version 2.0. The Programs contain many components developed by Oracle and various third parties. The license for each component is located in the licensing documentation and/or in the component's source code. In addition, a list of components may be delivered with the Programs and the Additional Programs (as defined below) or accessed online at http://oss.oracle.com/linux/legal/oracle-list.html. The source code for the Programs and the Additional Programs can be found and accessed online at https://oss.oracle.com/sources/. This Agreement does not restrict, limit, supersede or modify your rights under the license associated with any separately licensed individual component.

3.   Licenses to Additional Programs. Certain third-party technology (collectively the "Additional Programs") may be included on the same medium or as part of the download of the Programs you receive, but is not part of the Programs. Each Additional Program is licensed solely under the terms of the Mozilla Public License, Apache License, Common Public License, GNU Lesser General Public License, Netscape Public License, or similar license that is included with the relevant Additional Program.

4.   Ownership. The Programs and their components and the Additional Programs are owned by Oracle or its licensors. Subject to the licenses granted and/or referenced herein, title to the Programs and their components and the Additional Programs remains with Oracle and/or its licensors.

5.   Trademark License. You are permitted to distribute unmodified Programs or unmodified Additional Programs without removing the trademark(s) owned by Oracle or its affiliates that are included in the unmodified Programs or unmodified Additional Programs (the "Oracle trademarks"). You may only distribute modified Programs or modified Additional Programs if you remove relevant images containing the Oracle Linux trademarks. Certain files, identified in http://oss.oracle.com/linux/legal/oracle-list.html, include such trademarks. Do not delete these files, as deletion may corrupt the Programs or Additional Programs. You are not granted any other rights to Oracle Linux trademarks, and you acknowledge that you shall not gain any proprietary interest in the Oracle Linux trademarks. All goodwill arising out of use of the Oracle Linux trademarks shall inure to the benefit of Oracle or its affiliates. You may not use any trademarks owned by Oracle or its affiliates (including "ORACLE") or potentially confusing variations (such as, "ORA") as a part of your logo(s), product name(s), service name(s), company name, or domain name(s) even if such products, services or domains include, or are related to, the Programs or Additional Programs.

6.   Limited Warranty. THE PROGRAMS AND ADDITIONAL PROGRAMS ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND. WE FURTHER DISCLAIM ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

7.   Limitation of Liability. IN NO EVENT SHALL WE BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, OR DAMAGES FOR LOSS OF PROFITS, REVENUE, DATA OR DATA USE, INCURRED BY YOU OR ANY

THIRD PARTY, WHETHER IN AN ACTION IN CONTRACT OR TORT, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR ENTIRE LIABILITY FOR DAMAGES HEREUNDER SHALL IN NO EVENT EXCEED ONE HUNDRED DOLLARS (U.S.).
