

Secure, Fast Employment Verification

Providing Employees with Automated Verification of Income & Employment

THREE TYPES OF VERIFICATIONS DESIGNED FOR EASE OF USE

1

If you are asked to provide **Proof of Employment Only**, please supply the following information to the requesting party:

1. Visit www.verifyfast.com & Register as a Verifier
2. Company Code: **12456**
3. Social Security Number
4. Verification is immediate

Note: All Verifiers must first Register with Verifyfast.com to be approved as a valid verifier and granted access to employment records.

2

If you are asked to provide **Proof of Employment & Income**, please supply the following information to the requesting party:

1. Visit www.verifyfast.com.
2. Login via the employee portal by selecting **"I'm an Employee" > "This is my first time Logging in"** from the homepage
3. Once logged in, generate your unique Income Key by selecting the following menu options: **Income Key > Create Income Key**
4. Please enter the employee's social security number
5. Provide the verifier:
 - Website: www.verifyfast.com
 - Company Code: **12456**
 - Social Security Number
 - Income Key

3

If you have a **Social Service or Governmental Agency** that requires verification of employment, please supply the following information to the requesting party:

1. Visit www.verifyfast.com
All social services agencies **must first register** on the website to be approved as a social service agency and granted access to records.
2. Once registered, please follow the directions for **Option 1:**
 - **Proof of Employment**
 - **Proof of Income & Employment**
3. Verification requests can also be submitted by email to: VerifyfastSupport@experian.com
