Oracle does not represent or guarantee the truthfulness, accuracy or reliability of any communications posted by other users or endorse any opinions expressed by users. You acknowledge that any reliance on material posted by other users will be at your own risk.

Oracle does not screen communications in advance and is not responsible for screening or monitoring material posted by users. If notified by a user of communications which allegedly do not conform to this Agreement, Oracle may investigate the allegation and determine in good faith and its sole discretion whether to remove or request the removal of the communications. Oracle has no liability or responsibility to users for performance or nonperformance of such activities. Oracle reserves the right to expel users and prevent their further access to the Site for violating this Agreement or any laws and the right to remove any communications for any reason.

**Errors or Omissions:**

The Site is provided on an "as is" basis and Oracle assumes no responsibility for errors or omissions in this Site or any other web site that may be referenced or linked to the Site. Oracle does not and will not guarantee, represent or warrant that defects in the Site will be corrected. Although Oracle uses certain security measures, Oracle shall not be liable for any breach of security or privacy with respect to the Site, including any breach caused by any third party or which results in an unauthorized person or entity learning the contents of any message which is intended to be private.

**No Liability for Use:**

You agree that Oracle will not be liable for any direct, incidental, special, consequential or exemplary damages, resulting from the use of or the inability to use the Site, or from unauthorized access to, or alteration, theft, loss or destruction of, your network, systems, applications, data files, programs, procedures, information, or computer equipment (including through accident or fraud) (collectively, "Use"). Oracle shall not be liable for any Use (and you hereby irrevocably waive any and all claims regarding any Use, whether such claims are based in warranty, contract, tort, strict liability or otherwise).

**Indemnification:**

You agree to defend, indemnify and hold Oracle and its affiliates (and their respective directors, officers, members, employees, agents, representatives and attorneys) harmless from and against any and all claims, damages, costs, and expenses (including attorney's fees) arising from your use of the Site, including any errors, inaccuracies, misrepresentations or defects in any materials or information submitted by you.

**Intellectual Property:**

Unless otherwise noted, all materials, including images, illustrations, designs, icons, photographs, software, video clips, and written and other materials that are part of the Site (collectively, the "Contents") are protected by copyrights, trademarks, trade dress and/or other intellectual properties owned or licensed to Oracle. The Site as a whole is protected by copyright and trade dress and all worldwide rights, titles and interests in and to the Site and the Content are owned by Oracle.

**Trademarks:**

User covenants that it will take no action to register or otherwise interfere with or challenge such intellectual property rights.

**Copies:**

Oracle hereby authorizes you to make copies of the Contents (except for confidential or private information to which access is restricted) solely for your internal business use; provided, however, that you shall not have the right to display, transmit or distribute any copies of the Contents to any third parties (including permitting third parties to download, upload, copy or view the Contents). Without limitation of the foregoing, you shall not, directly or indirectly, (1) sell all or any portion of the Contents to any third party or (2) use or exploit the Contents in any way in connection with any web site (other than the Site) related to the construction industry. No right, title or interest in any downloaded materials or software is transferred to you as a result of any copying of the Contents for your internal business use. You agree that you shall not alter or remove any copyright notice or proprietary legend contained in the Content. You agree that any copy made shall include Oracle's copyright notice or any other notice included therein. No other permission is granted to you to print, copy, reproduce, distribute, transmit, upload, download, store, display in public, alter, or modify, create derivative works from, compile facts or information from, sell or participate in any sale of, or exploit in any way, in whole or in part, any of the Contents, the Site, or any related software. You agree not to derive or attempt to derive the source code, source files or structure of all or any portion of the Contents by reverse engineering, disassembly, decompiling or otherwise.

**User Comments, Feedback and Submissions:**

All comments, feedback, postcards, suggestions, ideas, and other information disclosed, submitted, conveyed or offered to Oracle on or by the Site or otherwise disclosed, submitted or offered in connection with your use of the Site, such as an invitation-to-bid or bid ("ITB") (collectively, "Comments") shall be and remain Oracle property. Such disclosure, submission or offer of any Comments shall constitute an assignment to Oracle of all worldwide rights, titles and interests in all copyrights and other intellectual properties in the Comments. Thus, Oracle will own exclusively all such rights, titles and interests and shall not be limited in any way in its use, commercial or otherwise, of any Comments. Oracle is and shall be under no obligation (1) to maintain any Comments in confidence; (2) to pay to user any compensation for any Comments; or (3) to respond to any user Comments.

You agree that no Comments or any other submission, including any ITB, submitted by you to the Site will violate any right of any third party, including copyright, trademark, privacy or other personal or proprietary right(s). You further agree that no Comments or other submission submitted by you to the Site will be or contain libelous or otherwise unlawful, abusive or obscene material. You are and shall remain solely responsible for the content of any Comments you make.

**Information That You Provide:**

You may provide company information such as but not limited to subcontractor and/or supplier E-Mail addresses, fax numbers and/or contact information to be added to the Site database in connection with your use of the Site. You certify that this company information is accurate, you have an existing business relationship with any and all companies that you provide to Oracle and you request and authorized Oracle to contact each of the companies on your behalf, via facsimile, E-Mail or otherwise, in connection with the distribution of bid invitations, construction project information and/or any other messages sent through Oracle.

Oracle requires that the information you provide be true, accurate and up-to-date at all times. This includes, but is not limited to, information within a ITB, any representations made regarding qualifications and competency to respond to such ITBs posted, information concerning intellectual property ownership and rights thereto. In addition, you agree that no ITB, response to an ITB or any other communication transmitted by you or on your behalf through Oracle (including through the Site or by facsimile) will contain any advertisement or material advertising the commercial availability or quality of any property, goods, or services. We reserve the right to terminate your registration and access to our site if any information provided does not meet these requirements at any time.

Oracle assumes that you are the owner of, and/or have received all appropriate consent from the owners of, any and all material, information, intellectual property in any form, or other data you make available to Oracle. You are responsible for ensuring that the owner of the information has given you the permission to make the information available to other parties, whether to the general public or to specific groups or individuals. This permission must be royalty-free and grant the person(s) who see the information the non-exclusive right-to-use, transmit, modify, or display it as may be required to respond to a ITB.

#### **Membership:**

Oracle may designate certain organizations as "Members." Such designation does not confer any ownership interest in, or right to control, Oracle, but instead means that the designated organization has access to Member Services provided by Oracle as described below.

#### **Eligibility:**

Membership is open to legitimate and qualified organizations in the construction industry. This includes, but is not limited to: general contractors, specialty/subcontractors, suppliers of goods and services to construction firms, architect and engineers, buyers of construction services, and public agencies involved in regulation of the construction industry. Notwithstanding anything to the contrary in this document, Oracle may at its sole discretion refuse to accept an application for Membership and/or limit a Member's use of the services provided by Oracle at any time.

#### **Membership Fee:**

Each Member is assessed a Membership Fee. The Membership Fee is non-refundable and must be paid in full within 30 days of the Member's first login to the Oracle system; subsequent payments of the membership fee are due and payable on an annual basis within 30 days of the anniversary date of the first login. Failure to pay the Membership Fee in a timely manner is grounds for revocation of Membership. Oracle reserves the right to change the amount of the membership fee and/or the payment schedule at any time.

#### **Fair Use Policy**

As a Member, you may send invitation-to-bid and project related fax messages. You also will have the option to subscribe for additional services that Oracle offers as described on the Site, all subject to the terms of this Agreement or another agreement specific to those additional services.

PLEASE NOTE, HOWEVER, THAT YOUR USE OF THE SITE SERVICE IS SUBJECT TO ORACLE'S "FAIR USE" POLICY. YOU WILL BE IN VIOLATION OF THIS POLICY IF, WITHIN ANY ANNUAL MEMBERSHIP PERIOD, YOUR FAX USAGE EXCEEDS MORE THAN THREE (3) TIMES THE AVERAGE LEVEL OF USAGE OF ORACLE'S CUSTOMERS OVER THAT ANNUAL PERIOD. FOR PURPOSES OF THIS POLICY, "USAGE" MEANS THE COMBINED NUMBER OF FAX PAGES SENT, AS DETERMINED BY ORACLE IN ITS SOLE DISCRETION. AS AN ACCOMMODATION TO OUR CUSTOMERS, ORACLE CURRENTLY ENFORCES THIS POLICY ONLY WHERE USAGE EXCEEDS 25,000 COMBINED FAX PAGES IN ANY ANNUAL MEMBERSHIP PERIOD, WHICH IS SUBSTANTIALLY IN EXCESS OF THE ACTUAL ALLOWABLE USAGE UNDER THIS "FAIR USE" POLICY. NOTWITHSTANDING THIS ACCOMMODATION, WE RESERVE THE RIGHT TO AT ANYTIME ENFORCE THIS POLICY

IN ACCORDANCE WITH ITS TERMS (I.E., USAGE WITHIN ANY ANNUAL MEMBERSHIP PERIOD IN EXCESS OF MORE THAN THREE (3) TIMES THE AVERAGE LEVEL OF USAGE OF ORACLE'S CUSTOMERS OVER THAT ANNUAL PERIOD). IN THE EVENT YOU ARE DEEMED TO HAVE VIOLATED THIS POLICY, A ORACLE REPRESENTATIVE WILL ATTEMPT TO CONTACT YOU TO REACH AGREEMENT ON A REVISED PRICING PLAN WHICH WILL PERMIT YOU TO CONTINUE TO USE THIS PAID MEMBERSHIP SERVICE. HOWEVER, ORACLE RESERVES THE RIGHT TO TERMINATE OR SUSPEND YOUR ACCOUNT WITHOUT PRIOR NOTICE IN THE EVENT OF A POLICY VIOLATION.

**Member Services:**

Certain services provided by Oracle, hereinafter referred to as "Member Services", are available only to Members. Member Services currently include but are not limited to access to the Site Directory and the ability to send and respond to invitation-to-bid messages through the Oracle system. Oracle may establish limits concerning use of any Member Services offered on the Site, including without limitation the maximum number of days that messages and/or documents can be stored, the maximum number of messages and/or documents that may be sent from or received by an account on any Member Services, the maximum size of messages and/or documents that may be sent from or received by an account on any Member Services, the maximum disk space that will be allotted on Oracle's servers on your behalf, and the maximum number of times and duration you may access any Member Services in a given period of time. You agree that Oracle has no responsibility or liability for the deletion, corruption or failure to store any messages or other content maintained or transmitted by any Member Services. You acknowledge that Oracle reserves the right to disable accounts that are inactive for an extended period of time. Oracle reserves the right to modify the Member Services at any time.

**Other Terms:**

You agree to comply with all applicable laws, statutes, ordinances and regulations concerning your use of the Site. You agree that Oracle, in its sole discretion, may terminate your use of the Site immediately and without notice at any time for any reason or no reason, including if Oracle believes that you have acted inconsistently with the spirit or letter of this Agreement.

This Agreement is governed by the substantive and procedural laws of the State of California and each party agrees to submit to the exclusive jurisdiction of, and venue in, the courts in San Francisco or Santa Clara counties in California in any dispute arising out of or relating to this Agreement. The Uniform Computer Information Transactions Act does not apply to this Agreement or to orders placed under it.

The failure of Oracle to exercise or enforce any right or provision under this Agreement will not constitute a waiver of such right or provision. If any provision of this Agreement is found by a court of competent jurisdiction to be invalid, the parties nevertheless agree that the court shall endeavor to give effect to the parties' intentions as reflected in the provision, and the other provisions of the these terms and conditions remain in full force and effect.

You agree that regardless of any statute or law to the contrary, any claim or cause of action arising out of or related to use of the Site must be filed within one (1) year after such claim or cause of action arose or be forever barred.

For security purposes, Oracle does not and will never send automated E-Mails with any file attachments. Additionally, the users of the Site cannot send any E-Mails with any file attachments from the Oracle servers. Oracle recommends that users take action to protect their computer by making sure they have anti-virus software installed and updated on their system. Oracle also recommends that users do not open any E-Mail file attachments that they are not expecting to receive. Furthermore, it is a good practice to contact the sender of an E-Mail before opening any file that may be considered a questionable attachment.
