

Oracle E-Business Suite Release Content Documents

Oracle E-Business Suite Release Content Documents (RCDs) describe the new and enhanced features introduced in ongoing EBS 12.2 releases, including the 12.2.x suite-wide Release Update Packs (RUPs), Enterprise Command Center Updates, and Mobile Apps Updates. There is one RCD for each of 16 EBS product families attached to “Oracle E-Business Suite Releases 12.1 and 12.2 Release Content Documents”, [MOS Doc 1302189.1](#). You can navigate directly to individual product family RCDs using the links below:
