

ORACLE

Oracle Database Insider

All you want to know about Oracle Database

What's New

[Oracle Database 23c: The Next Long Term Support Release](#)

AI vector search, powerful SQL enhancements, JSON relational duality, and much more in the world's most powerful database, now Generally Available on OCI Oracle Base Database Service.

[Oracle Database@Azure](#)

With this service, Oracle will deliver the OCI Database Services in Microsoft Azure data centers - at parity with OCI today, in terms of performance, scale, security and availability.

[Globally Distributed Autonomous Databases](#)

Facilitate automatic distribution of data across Oracle's globally distributed converged databases.

[Autonomous Database in a Container](#)

Use the free container image to run Autonomous Database in a container without requiring access to the Oracle Cloud Infrastructure console or the Internet.

From the Desk of the Editor

Dear readers, this issue provides access to keynote addresses and other fantastic sessions from the just concluded Oracle CloudWorld 2023. Check them out! My name is Suresh Rajan, and I am Assistant Editor, working with Bill Sawyer, the Managing Editor. You can email us at suresh.r.rajan@oracle.com or bill.sawyer@oracle.com.

Top Stories

JSON Duality + Micronaut Framework

Use the Micronaut ® Framework to create and interact with JSON Relational Duality View.
