INDEPENDENT AUDITOR'S REPORT

To the Members of Oracle (OFSS) Processing Services Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Oracle (OFSS) Processing Services Limited ("the Company"), which comprise the Balance sheet as at March 31, 2024, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Directors' report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

The Board of Directors' report is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

   (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

   (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;

   (e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act;

   (f) With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;

   (g) According to the information and explanations given by the management, no managerial remuneration has been paid / provided by the Company during the year ended March 31, 2024;

   (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

      i. The Company does not have any pending litigations which would impact its financial position;

      ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

      iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. No dividend has been declared or paid during the year by the Company.

vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

ANNEXURE 1 REFERRED TO IN PARAGRAPGH 1 UNDER REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS OF OUR REPORT OF EVEN DATE

Re: Oracle (OFSS) Processing Services Limited (the 'Company')

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has not capitalized any intangible assets in the books of the Company and accordingly, the requirement to report on clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) Property, Plant and Equipment have been physically verified by the management during the year and no material discrepancies were identified on such verification.

(c) There is no immovable property (other than properties where the Company is the lessee and the lease agreements are duly executed in favor of the lessee), held by the Company and accordingly, the requirement to report on clause 3(i)(c) of the Order is not applicable to the Company.

(d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2024.

(e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii) (a) The Company's business does not require maintenance of inventories and, accordingly, the requirement to report on clause 3(ii)(a) of the Order is not applicable to the Company.

(b) The Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.

(iii) (a) During the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(a) of the Order is not applicable to the Company.

(b) During the year the Company has not made investments, provided guarantees, provided security and granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(b) of the Order is not applicable to the Company.

(c) The Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(c) of the Order is not applicable to the Company.

(d) The Company has not granted loans or advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(d) of the Order is not applicable to the Company.

(e) There were no loans or advance in the nature of loan granted to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(e) of the Order is not applicable to the Company.

(f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.

(iv) In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees, and securities given in respect of which provisions of section 185 and 186 of the Companies Act, 2013 (the "Act") are applicable and accordingly, the requirement to report on clause 3(iv) of the Order is not applicable to the Company.

(v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.

(vi) The Company is not in the business of sale of any goods or provision of such services as prescribed. Accordingly, the requirement to report on clause 3(vi) of the Order is not applicable to the Company.

(vii) (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, income-tax, duty of customs, cess and other statutory dues applicable to it. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable. The provisions relating to employees' state insurance, value added tax, sales tax and duty of excise are not applicable to the Company for the year ended March 31, 2024.

(b) The dues of goods and service tax, provident fund, income tax, sales tax, service tax, duty of custom, duty of excise, value added tax, cess and other statutory dues have not been deposited on account of any dispute, are as follows:

Name of the statute	Nature of dues	Amount	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	5,702,620 *	Assessment year 2017-18 and 2018-19	Assistant Commissioner of Income Tax
		383,430	Assessment Year 2022-23	Commissioner of Income Tax (Appeals)

* The demand of Income Tax as reported above is net of demand paid under protest and refunds adjusted against said demand of Rs. 1,94,24,550.
^ Excludes, interest payable, if any, under the relevant provision and rules.

(viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

(ix) (a) The Company did not have any outstanding loans or borrowings or interest thereon due to any lender during the year. Accordingly, the requirement to report on clause ix(a) of the Order is not applicable to the Company.

(b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

(c) The Company did not have any term loans outstanding during the year hence, the requirement to report on clause (ix)(c) of the Order is not applicable to the Company.

(d) The Company did not raise any funds during the year hence, the requirement to report on clause (ix) (d) of the Order is not applicable to the Company.

(e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.

(f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on Clause 3(ix)(f) of the Order is not applicable to the Company.

(x) (a) the Company has not raised any money during the year by way of initial public offer or further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.

(xi) (a) No fraud by the Company or no fraud on the Company has been noticed or reported during the year.

(b) During the year, no report under sub-section (12) of Section 143 of the Act has been filed by cost auditor / secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

(xii) The Company is not a Nidhi Company as per provision of the Act. Therefore, the provisions of paragraph 3(xii)(a), (b) and (c) of the Order are not applicable to the Company and hence not commented upon.

(xiii) Transactions with the related parties are in compliance with sections 188 of the Act where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly the requirements to report under clause 3(xiii) of the Order insofar as it relates to section 177 of the Act is not applicable to the Company.

(xiv) (a) The Company has implemented internal audit system on a voluntary basis which is commensurate with the size of the Company and nature of its business though it is not required to have an internal audit system under Section 138 of the Act.

(b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.

(xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.

(xvi) (a) According to the information and explanations given to us, the provision of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.

(b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.

(d) There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.

(xvii) The Company has not incurred cash losses in the current financial year and in the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year and accordingly requirement to report to clause 3 (xviii) of the Order is not applicable to the Company.

(xix) On the basis of the financial ratios disclosed in note 32 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) (a) In respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Act, in compliance with second proviso to sub section 5 of Section 135 of the Act. This matter has been disclosed in note 19 to the financial statements.

(b) There are no unspent amounts in respect of ongoing projects, that are required to be transferred to a special account in compliance of provision of sub section (6) of Section 135 of the Act. This matter has been disclosed in note 19 to the financial statements.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF ORACLE (OFSS) PROCESSING SERVICES LIMTED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Oracle (OFSS) Processing Services Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to these financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these financial statements.

Meaning of Internal Financial Controls With Reference to these Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to these financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With Reference to these Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Note 1: Corporate information

Oracle (OFSS) Processing Services Limited (the "Company") was incorporated in India with limited liability on February 16, 2005. The Company is principally engaged in the business of providing business process outsourcing services to the financial services (capital markets) industry abroad and other information technology consulting services. The Company is a subsidiary of Oracle Financial Services Software Limited holding 99.996% (March 31, 2023 – 99.996%) ownership interest in the Company as at March 31, 2024.

The financial statements for the year ended March 31, 2024 were approved by the Company's Board of Directors for issue on April 24, 2024.

Note 2: Summary of material accounting policies

2.1 Basis of preparation

These financial statements comprising of balance sheet as at March 31, 2024, Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash flows for the year then ended have been prepared in accordance with Indian Accounting Standards ('Ind AS') as prescribed under Section 133 of the Companies Act, 2013 (the 'Act') read with relevant rules of the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

The financial statements have been prepared on a historical cost basis, except for certain assets and liabilities which have been measured at fair value such as defined benefit plan.

2.2 Summary of material accounting policies

The material accounting policies adopted by the Company, in respect of the financial statements are set out as below:

(a) Property, plant and equipment and depreciation

Property, plant and equipment

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The Company capitalizes all direct costs relating to the acquisition and installation of property, plant and equipment. Such cost includes the cost of replacing part of the plant and equipment, if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred. The cost of fixed assets not ready to use before balance sheet date are disclosed under 'Capital work-in-progress'. All additions during the reported year are considered at cost. An item of property, plant and equipment is derecognized at its carrying value on disposal; and any gain or loss arising from such derecognition is included in the statement of profit or loss when the item is derecognized

Depreciation

Depreciation is computed using straight-line method using the rates arrived at based on the useful lives estimated by the management. The estimated useful life considered for depreciation of property, plant and equipment is as follows:

Asset description	Asset life (in years)
Computer Equipment	3
Office Equipment	5
Furniture and fixtures	7

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate

The management has estimated based on an internal assessment, the useful lives of the following classes of assets.

- The useful lives of servers and networking equipment forming part of computer equipment are estimated as 3 years. These lives are lower than those indicated in schedule II to the Act.

- The useful lives of furniture and fixtures estimated at 7 years. These lives are lower than those indicated in schedule II to the Act.

(b) Impairment of non-financial assets

The carrying amounts of non-financial assets are reviewed at each balance sheet date if there is any indication of impairment based on internal / external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's or cash generating units' ('CGU') fair value less cost of disposal, and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to assets.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessment of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are validated by valuation multiples or other available fair value indicators. The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated.

(c) Foreign currencies

The financial statements are presented in Indian Rupees ('INR'), which is the functional currency of the Company.

Foreign currency balances
Transactions in foreign currencies are initially recorded by the Company at its functional currency using spot rates on the date of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the relevant functional currency at exchange rates at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognized in the statement of profit and loss.

Non- monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

(d) Revenue recognition

Business Process Outsourcing (BPO) & IT Consulting Services

Revenue is recognized upon transfer of control of promised services to customers at an amount that reflects the consideration that the Company expects to receive in exchange for those services. The Company has concluded that it is the principal in its revenue arrangements, because it typically controls the services before transferring them to the customer.

BPO services comprise of back-office administration, data management and call center; and IT consulting service comprise other information technology enabled services including systems integration. Depending upon the terms of the arrangement, revenue from these services are recognized on a per employee, number of hours worked or cost-plus basis. The BPO and IT consulting services contracts on time and material basis, the revenue is recognized as the related services are performed.
Revenue from fixed price contracts, where the performance obligations are satisfied over time and where there is no uncertainty as to measurement or collectability of consideration, is recognized by reference to the stage of completion. Stage of completion is measured by reference to labour hours incurred to date as a percentage of total estimated labour hours for each contract. When the contract outcome cannot be measured reliably, revenue is recognized only to the extent that the expenses incurred are eligible to be recovered.

The Company recognizes for modifications to existing contracts by assessing whether the services added are distinct and whether the pricing is at the standalone selling price. Services added that are not distinct are accounted for on a cumulative catch up basis, while those that are distinct are accounted for prospectively, either as a separate contract if the additional services are priced at the standalone selling price, or as a termination of the existing contract and creation of a new contract if not priced at the standalone selling price.

The Company presents revenues net of indirect taxes in its statement of profit and loss.

Trade receivables represents the Company's rights to an amount of consideration that is unconditional.

Revenue in excess of billing is classified as contract asset i.e. unbilled revenue while billing in excess of revenue is classified as contract liability i.e. deferred revenue. Contract assets are classified as unbilled receivables when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms. Unbilled revenue are classified as non financial asset if the contractual right to consideration is dependent on completion of contractual milestones.

The Company recognizes as an asset the incremental cost of obtaining a contract with the customers as an asset and disclose them under "Other assets" as deferred contract costs. Incremental costs of obtaining contracts are those costs that the Company incurs to obtain a contract with customer that would have not been incurred if the contract had not been obtained. Such deferred contract costs assets are amortized over the benefit period.

(e) Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in India where the Company generate taxable income.

Current income tax relating to items recognized outside statement of profit or loss is recognized either in other comprehensive income or in equity. Current tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and current tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

Deferred tax

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- In respect of taxable temporary differences associated with investments in subsidiaries and associates, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

- In respect of deductible temporary differences associated with investments in subsidiaries, and associates, deferred tax assets are recognized only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized either in other comprehensive income or in equity as applicable. Deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Appendix C to Ind AS 12 Uncertainty over Income Tax Treatments:

The interpretation addresses the accounting for income taxes when tax treatments involve uncertainty that affects the application of Ind AS 12 and does not apply to taxes or levies outside the scope of Ind AS 12, nor does it specifically include requirements relating to interest and penalties associated with uncertain tax treatments. The interpretation specifically addresses the following:

- Whether an entity considers uncertain tax treatments separately
- The assumptions an entity makes about the examination of tax treatments by taxation authorities
- How an entity determines taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates
- How an entity considers changes in facts and circumstances

An entity has to determine whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments. The approach that better predicts the resolution of the uncertainty should be followed. In determining the approach that better predicts the resolution of the uncertainty, an entity might consider, for example, (a) how it prepares its income tax filings and supports tax treatments; or (b) how the entity expects the taxation authority to make its examination and resolve issues that might arise from that examination.

The Company has evaluated the effect of Ind AS 12 amendment on the financial statements and concluded that the appendix does not have an impact on the financial statements of the Company.

(f) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value so as to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

At the reporting date, the Company analyzes the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the accounting policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Company also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

(g) Financial instruments – initial recognition and subsequent measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The Company recognizes a financial asset or a liability in its balance sheet only when the entity becomes party to the contractual provisions of the instrument.

Financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, as financial assets measured at amortized cost, fair value through other comprehensive income or fair value through statement of profit or loss as appropriate. All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through statement of profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Investment in fellow subsidiary is carried at cost net of impairment, if any.

Subsequent measurement

For purposes of subsequent measurement financial assets of the Company are classified in three categories:

- Debt instruments measured at amortized cost
- Debt instruments at fair value through other comprehensive income ('OCI')
- Debt instruments, derivatives and equity instruments at fair value through statement of profit or loss

Debt instruments measured at amortized cost

This category is the most relevant to the Company. Debt instruments are measured at amortized cost if the asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. These financials assets are amortized using the effective interest rate (EIR) method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the statement of profit or loss. The losses arising from impairment are recognized in the statement of profit or loss in finance costs.

The Company does not have debt instruments at fair value through OCI and debt instruments at fair value through profit or loss.

De-recognition

A financial asset is derecognized i.e. removed from the Company's statement of financial position when:

- The contractual rights to the cash flows from the financial asset expire or

- The Company has transferred its contractual rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Impairment of financial assets

The Company applies expected credit loss ('ECL') model for measurement and recognition of impairment loss on the financial assets and credit risk exposure. For trade receivables the Company follows 'simplified approach' for recognition of impairment loss allowance. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

The Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. Further, the trade receivables have customer concentration in various geographies and therefore the Company has considered the socio-economic conditions in the regions where the customers are located.

At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed and accordingly provision has been made as at March 31, 2024.

Interest income

Interest income is recognized using the effective interest method.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at amortized cost or financial liabilities at fair value through profit or loss, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade payables, accrued expenses and accrued compensation to employees.

Subsequent measurement

The Company measures all financial liabilities at amortized cost except for financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR.

Financial liabilities held for trading are measured at fair value through profit and loss. The Company has not designated any financial liability as at fair value through profit or loss.

De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

(h) Leases

Company as a Lessee

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

The Company recognizes right-of-use asset and a corresponding lease liability for all lease arrangements in which the Company is a lessee, except for a short-term lease of 12 months or less and leases of low-value assets. For short term lease and low-value asset arrangements, the Company recognizes the lease payments as an operating expense on straight-line basis over the lease term.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease arrangement. Right-of-use assets and lease liabilities are measured according to such options when it is reasonably certain that the Company will exercise these options.

The right-of-use asset are recognized at the inception of the lease arrangement at the amount of the initial measurement of lease liability adjusted for any lease payments made at or before the commencement date of lease arrangement reduced by any lease incentives received, added by initial direct costs incurred and an estimate of costs to be incurred by the Company in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right of-use asset. Estimated useful life of right-of-use assets is determined on the basis of useful life of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is an Indication that their carrying value may not be recoverable. Impairment loss, if any is recognized in the statement of profit and loss.

The lease liability is measured at amortized cost, at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease arrangement or, if not readily determinable, at the incremental borrowing rate in the country of domicile of such leases. Lease liabilities are remeasured with corresponding adjustments to right-of-use assets to reflect any reassessment or lease modifications.

(i) Provisions, contingent liabilities and commitments

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss, net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A contingent liability is a possible obligation that arises from past events and existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events but is not recognized because it is not probable than an outflow of resource embodying economic benefits will be required to settle the obligation, or the amount of the obligation cannot be measured with sufficient reliability.

(j) Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Compensated absences which are expected to occur within twelve months after the end of the period in which employee renders the related services are recognized as undiscounted liability at the balance sheet date. The expected cost of compensated absences which are not expected to occur within twelve months after the end of the period in which employee renders related services are recognized at the present value based on actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method.

Gratuity liability is a defined benefit obligation and is recorded based on actuarial valuation on projected unit credit method at the end of the year. The gratuity liability and net periodic gratuity cost is actuarially determined after considering discount rates, expected long term return on plan assets and increase in compensation levels. Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognized in the statement of profit and loss on the earlier of:
- The date of the plan amendment or curtailment, and
- The date that the Company recognizes related restructuring costs.

Interest is calculated by applying the discount rate to the defined benefit liability. The Company recognizes the following changes in the defined benefit obligation as an expense in the statement of profit and loss:
- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income.

The Code on Social Security, 2020 ('Code') relating to employee benefits during the employment and post-employment benefits has been published in the Gazette of India on September 29, 2020. The Ministry of Labour and Employment has released draft rules for the Code on November 13, 2020. The effective date from which these changes are applicable is yet to be notified. The Company will assess and record the impact, if any, when the rules are notified and the code becomes effective.

(k) Cash dividend to equity shareholders of the Company

The Company recognizes a liability to make cash or non-cash distributions to equity shareholders when the distribution is authorized and the distribution is no longer at the discretion of the Company. As per the Act, a distribution of interim dividend is authorized when it is approved by the Board of Directors and final dividend is authorized when it is approved by the shareholders of the Company. A corresponding amount is recognized directly in equity.

(l) Earnings per share

The earnings considered in ascertaining the Company's earnings per share comprise the net profit after tax. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the year. The number of shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share, and also the weighted average number of shares, if any which would have been issued on the conversion of all dilutive potential equity shares. The weighted average number of shares and potentially dilutive equity shares are adjusted for the bonus shares and sub-division of shares. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(m) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and short-term investments with an original maturity of three months or less.

The table below presents disaggregated revenues from contracts with end customers for the year ended March 31, 2024 by geography, streams and type for each of our business segments.

Year ended March 31, 2024 **(Amounts in ₹ thousand)**

Particulars	Business Process Outsourcing services	IT consulting services	Total
Revenue by Geography			
India	30,147	-	30,147
Outside India			
Africa	-	453,087	453,087
Middle East	-	947	947
Europe	-	952	952
Total revenue from contracts with customers	**30,147**	**454,986**	**485,133**
Revenue by Streams and type of Contract			
Consulting fees			
Fixed Price	-	265,972	265,972
Time & Material Basis	30,147	189,014	219,161
	30,147	**454,986**	**485,133**

Year ended March 31, 2023 **(Amounts in ₹ thousand)**

Particulars	Business Process Outsourcing services	IT consulting services	Total
Revenue by Geography			
India	51,663	-	51,663
Outside India			
Africa	-	105,104	105,104
Middle East	-	-	-
Total revenue from contracts with customers	**51,663**	**105,104**	**156,767**
Revenue by Streams and type of Contract			
Consulting fees			
Fixed Price	-	68,486	68,486
Time & Material Basis	51,663	36,618	88,281
	51,663	**105,104**	**156,767**

During the year ended March 31, 2024, the Company recognised revenue of Rs 12,727 thousand from opening deferred revenue as of April 1, 2023. During the year ended March 31, 2023, the Company recognised revenue of Rs 14,713 thousand from opening deferred revenue as of April 1, 2022.

During the year ended March 31, 2024 and March 31, 2023, the Company has not recognised any revenue from performance obligations satisfied prior to April 1, 2023 and April 1, 2022 respectively.

Change in contract assets and contract liabilities on account of transactions undertaken in the normal course of business. In accordance with Ind AS 115, unbilled revenue of Rs 59,909 thousands as on March 31, 2024 (March 31, 2023: Rs 9,463 thousands) has been classified as other current asset.

Remaining performance obligation

The Company has applied the practical expedient as provided in Ind AS 115 and excluded the disclosure relating to remaining performance obligation for

i. contracts where the original expected duration is one year or less

ii. contracts where the revenue recognized corresponds directly with the value to the customer of the entity's performance completed to date. Typically this involves those contracts where invoicing is on time and material basis.

Remaining performance obligation estimates are subject to change and are affected by several factors such as terminations, changes in the scope of contracts, periodic revalidations of estimates and other macro economic factors.

The aggregate amount of transaction price allocated to the performance obligations that are unsatisfied (or partially unsatisfied) as at March 31, 2024, after considering the practical expedient mentioned above is Rs. 9,67,571 thousand (March 31, 2023 - Rs. 5,37,073 thousand), out of which 68% (March 31, 2023 - 15%) is expected to be recognized as revenue within the next one year and the balance thereafter.

Note 24: Fair values

The management has assessed that fair value of financial instruments approximates their carrying amounts largely due to the short term maturities of these instruments.

The carrying value and fair value of financial instruments by categories as at March 31, 2024 and March 31, 2023 are as follows:

(Amounts in ₹ thousand)

Particulars	As at March 31, 2024			As at March 31, 2023		
	Amortized cost	Carrying value	Fair value	Amortized cost	Carrying value	Fair value
Assets

	145,258	**145,258**	**145,258**	**8,064**	**8,064**	**8,064**

Note 25: Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions and estimate at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities are described below. These assumptions and estimates are based on available parameters as on the date of preparation of financial statements. These assumptions and estimates, however, may change due to market changes or circumstances arising that are beyond the control of the Company.

- **Defined benefit Obligation (gratuity benefits)**
  The cost of the defined benefit gratuity plan and other post-employment retirement benefits and the present value of the gratuity obligation are determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date annually. The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation. Further details about gratuity obligations are given in note 28

- **Taxes**
  Income tax expense comprises current tax expense and the net changes in the deferred tax asset or liability during the year. Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions, including disclosures thereof. Also refer note 2.2 (e) and note 14.

Note 26: Capital commitments and contingent liabilities

	Particulars	March 31, 2024	March 31, 2023
a.	**Capital commitments**		
	Contracts remaining to be executed on capital account not provided for (net of advances).	Nil	Nil
b.	**Contingent liabilities**		
	Pending Litigations		
	Claims against the Company not acknowledged as debts	Nil	Nil

Note 27: Leases

For the year ended March 31, 2024 there were in total of 2 leases (March 31, 2023- 3 leases) that were classified as short term lease considering lease period of 12 months or less in accordance with the policy in 2.2(h). Total amount of expense recognized in the statement of profit and loss was INR 905 thousand for the year ended March 31,2024 (March 31, 2023 – INR 1,713 thousand).

Note 28: Employee Benefit Obligation

Defined contribution plans

During year ended March 31, 2024 and March 31, 2023, the Company contributed INR 1,210 thousand and INR 2,056 thousand, respectively to provident fund.

Defined benefit plan – gratuity

A. Changes in present value of defined benefit obligation representing reconciliation of opening and closing balances thereof are as follows:

Particulars	Year ended March 31, 2024	Year ended March 31, 2023
Defined benefit obligation at beginning of the year	2,216	3,872
Current service cost	222	604
Past service cost	-	(83)
Interest cost, net	147	251
Benefits paid	(122)	(1,551)
Re-measurements		
-Due to change in demographic assumptions	-	(55)
-Due to changes in financial assumptions	36	(59)
-Due to change in experience adjustments	(30)	(763)
Defined benefit obligation at end of the year	**2,469**	**2,216**

B. The amounts recognized in the statement of profit and loss for the year ended March 31, 2024 and 2023 are as follows:

Particulars	Year ended March 31, 2024	Year ended March 31, 2023
Current service cost	222	604
Past service cost	-	(83)
Interest cost, net	147	251
Total included in employee benefits expense	**369**	**772**

C. Remeasurements (gain) / loss recognized in Other Comprehensive Income is as under:

Particulars	Year ended March 31, 2024	Year ended March 31, 2023
Due to change in demographic assumptions	-	(55)
Due to change in financial assumptions	36	(59)
Due to change in experience adjustments	(30)	(763)
Total remeasurements in other comprehensive Income	**6**	**(877)**

D. The amounts recognized in the balance sheet are as follows:

Particulars	March 31,2024	March 31, 2023
Present value of unfunded obligations	2,469	2,216
Net liability	**2,469**	**2,216**
Current	445	486
Non-current	2,024	1,730
Total	**2,469**	**2,216**

E. The assumptions used in accounting for the gratuity plan are set out as below:

	March 31, 2024	March 31, 2023
Discount rate	7.20%	7.40%
Salary escalation rate	6.00%	6.00%
Weighted average duration	8 years	7 years

The estimates of future salary increase, considered in actuarial valuation, take account of inflation, seniority, promotions and other relevant factors such as supply and demand in the employment market.

The Company evaluates these assumptions annually based on its long-term plans of growth and industry standards. The discount rates are based on current market yields on government bonds consistent with the currency and estimated term of the post-employment benefits obligations.

The maturity profile of defined benefit obligation is as follows:

Particulars	Amount in Thousands
Within 1 year	445
1-2 years	425
2-3 years	411
3-4 years	314
4-5 years	273
Next 5 years	619

F. A quantitative sensitivity analysis for significant assumptions on defined benefit obligation as at March 31, 2024 and March 31, 2023 is as shown below:

		Year ended	
Particulars	**Sensitivity level**	**March 31, 2024**	**March 31, 2023**
Financial assumption			
Discount rate	- 0.5%	2,562	2,291
	+ 0.5%	2,381	2,147
Salary escalation rate	- 0.5%	2,416	2,166
	+ 0.5%	2,535	2,267
Demographic assumptions			
Withdrawal rate	- 1%	2,429	2,183
	+ 1%	2,501	2,244

Note 29: Financial risk management objectives and policies

The Company's activities expose it to market risk, liquidity risk and credit risk. The management oversees these risks and is aided by the Holding Company's Risk Management Committee whose scope is to formulate the risk management policy for the group, which will identify elements of risk, if any which may affect the Company.

a. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk mainly comprises of foreign currency risk.

- Foreign currency risk

  Foreign currency risk is the risk that the fair value or future cash flows of monetary items will fluctuate because of changes in foreign exchange rates. This may have potential impact on the statement of profit and loss and other components of equity, where monetary items are denominated in a foreign currency, which are different from functional currency in which they are measured.

Following are the carrying amounts of foreign currency denominated monetary items (net) of the Company where it has significant exposure expressed in INR that is not hedged as at the balance sheet date:

Currency	March 31, 2024	March 31, 2023
USD	22,155	41,432

Foreign currency sensitivity

Below table demonstrates sensitivity impact on Company's profit after tax and total equity due to change in foreign exchange rates of currencies where it has significant exposure:

Currency	March 31, 2024		March 31, 2023	
	+1%	-1%	+1%	-1%
USD	166	(166)	310	(310)

The above sensitivity impact gain / (loss) is due to every percentage point appreciation or depreciation in the exchange rate of respective currencies, with all other variables held constant. Sensitivity impact is computed based on change in value of monetary assets and liabilities denominated in above respective currency, where the functional currency of the entity is a currency other than above respective currency and entity's with functional currency as above respective currency where transactions are in foreign currencies.

b. Liquidity risk

Liquidity risk management implies maintaining sufficient availability of funds to meet obligations when due and to close out market positions. The Company monitors rolling forecast of the cash and cash equivalent on the basis of expected cash flows.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

Particulars	Less than 1 year	More than 1 year	Total
As at March 31, 2024			
Trade payables	142,871	6	142,877
Accrued expenses	2,323	-	2,323
Accrued compensation to employees	57	-	57
	145,251	**6**	**145,257**

Particulars	Less than 1 year	More than 1 year	Total
As at March 31, 2023			
Trade payables	796	3	799
Accrued expenses	7,184	-	7,184
Accrued compensation to employees	81	-	81
	8,061	**3**	**8,064**

The Company has sufficient liquid funds in cash and cash equivalents to meet obligations towards financial liabilities.

c. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including time deposits with banks, foreign exchange transactions and other financial instruments.

- Trade receivables

  Customer credit risk is managed in line with the established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers.

  An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on regional historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in note 6. As at March 31, 2024, the single customer group contributes 31% (March 31, 2023 - 32%) of trade receivables.

- Balances with banks

  Credit risk from balances with banks is managed by the Company’s treasury department in accordance with the Company’s policy. Investments of surplus funds are made only with existing Bankers and within credit limits assigned to each banker.

  Company follows a conservative philosophy and shall aim to invest surplus rupee funds in India only in time deposits with well-known and highly rated banks. The duration of such time deposits will not exceed 364 days. The Company, on quarterly basis, monitors the credit ratings and total deposit balances of each of its bankers. Further limits are set to minimize the concentration of risks and therefore mitigate financial loss of any potential failure to repay deposits.

Note 30: Capital management

For the purpose of the Company’s capital management, capital includes issued equity share capital and other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company’s capital management is to maximize the equity shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and other financial requirements.

Note 31: Names of related parties and description of relationship:

Relationship	Names of related parties
(i) Related parties where control exists	
Ultimate Holding Company	Oracle Corporation

Reimbursement of expenses incurred on behalf of "Oracle (OFSS) Processing Services Limited" by				
Oracle Financial Services Software Limited	191	561	411	585
Oracle (OFSS) BPO Services Limited	29	-	74	9
Provision for doubtful debts				
Oracle Egypt Ltd	5,752	-	-	-
Payment of equity dividend				
Oracle Financial Services Software Limited	-	400,000	-	-

Note (i): Terms and conditions of transactions with related parties
The sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at year end are unsecured and interest free and settlement occurs in cash.

Note 32: Financial ratios

Particulars	Numerator	Denominator	March 31, 2024	March 31, 2023	Variance	Reason
(a) Current ratio (in times)	Total current assets	Total current liabilities	1.93	2.12	-9%	
(b) Return on equity ratio (in %)	Profit for the year	Average total equity	62%	17%	270%	Note 1
(c) Trade receivables turnover ratio (in times)	Revenue from operations	Average trade receivables	7.10	5.52	29%	Note 2
(d) Trade payables turnover ratio (in times)	Purchases of services and other expenses	Average trade payables	3.82	48.99	-92%	Note 3
(e) Net capital turnover ratio (in times)	Revenue from operations	Total current assets less total current liabilities	2.57	2.18	18%	
(f) Net profit ratio (in %)	Profit for the year	Revenue from operations	26%	33%	-23%	
(g) Return on capital employed (in %)	Profit before tax and finance cost	Networth	67%	51%	33%	Note 4

Note 1
Return on equity increased due to increase in profit after tax on account of increase in revenue from operation during the year.

Note 2
Trade receivables turnover ratio increased due to increase in revenue from operations.

Note 3
Trade payables turnover ratio has decreased due to increase in average trade payables towards increase in professional services availed.

Note 4
Increase in Return on capital employed is on account of increase in profit before tax due to increase in revenue from operations.

Note 33: Other Statutory Information

a) The Company does not have any Capital Work In Progress as at March 31, 2024 & March 31, 2023, whose completion is overdue or has exceeded its cost compared to its original plan.

b) The Company has not advanced or loaned or invested funds to any other person or entity, including foreign entities (intermediaries) with the understanding the intermediary shall:
(i) Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or
(ii) Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

c) The Company has not received any fund from any person or entity, including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the company shall:
(i) Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
(ii) Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

d) The Company does not have any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

e) There are no balance outstanding on account of any transaction with companies struck off under Section 248 of the Companies Act, 2013 or section 550 of Companies Act, 1956.

Note 34: Segment information

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole. Segments are reported in a manner consistent with the internal reporting provided to the Board of Directors i.e. Chief Operating Decision Maker (CODM) who evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by reportable segments. The Company operated under two reportable segments for the year ended March 31, 2024 viz. Business Process Outsourcing ('BPO') services and IT Consulting services.

Segment revenue and expenses:

Revenue is generated through Business Process outsourcing services and IT Consulting services .The income and expenses which are not directly attributable to a business segment are shown as unallocable income and expenses.

Segment assets and liabilities:

Segment assets include all operating assets used by a segment and consist principally of trade receivables and unbilled receivables, net of allowances.

Segment liabilities primarily includes trade payables, employee benefit obligations and other liabilities. While most of such assets and liabilities can be directly attributed to individual segments, the carrying amount of certain assets and liabilities used jointly by both segments is allocated to the segments on a reasonable basis. Assets and liabilities that cannot be allocated between the segments are shown as part of unallocable assets and liabilities.

Business segments
