Provide rapid check in and checkout for hotel guests with at-visions ONEapp

at-visions enables hotels to proactively reach out to guests using TVs, signage, tablets, and mobile devices. With at-visions, you can interact with guests across every channel.

Company Overview

at-visions specializes in guest-facing technology for hotels. Its technology and solutions include Internet Protocol TV (IPTV), mobile apps, digital signage, and guest internet provision. The company also offers IT consulting services for the hospitality industry.

With at-visions, hotels can leverage innovative technology to communicate with guests and improve their experiences.

Integration Overview

ONEapp integrates with the Oracle Hospitality Suite8 Advanced Kiosk Interface to provide self-service check-in and checkout processes.

Using a web-based front end, guests can update personal information, select a room, and perform authorization for the check in. Guests that are checking out can review and settle their charges before departure.

Integration Details

The integration between ONEapp and Oracle Hospitality Suite8 Advanced Kiosk Interface enables the following:

- Assign a room to a reservation.
- Check in a reservation.
- Checkout a reservation.
- Retrieve reservation details.
- Retrieve guest profile.
- Retrieve room status.
- Update guest profile by adding or updating a guest's document, address, email, phone, and privacy options.
- Apply a payment from an external payment provider.
- Retrieve the folio details of a reservation.

The Oracle logo consists of the word 'ORACLE' in a bold, white, sans-serif font, centered within a solid red rectangular background.

Validated Integration

Oracle Hospitality

Oracle Validated Integration provides customers with confidence that a partner's integration with an Oracle on-premises application is functionally sound and performs as designed. This can help customers reduce deployment risk, lower total cost of ownership, and improve the user experience related to the partner's integrated offering.
