

# Save Time, Renew Online With Oracle's My Support Renewals

If you manage **Oracle Premier Support** on behalf of your organization, completing your support renewals just got easier.

**My Support Renewals** is a global platform that gives you access to all the information you need to manage and renew your Oracle Premier Support online.

## Five Reasons To Renew Online

### 1. Sign In Is Easy

My Support Renewals is **intuitive, fast, free, and secure**—enabling you to review and manage your renewals quickly and easily.

### 2. Anytime Access

View your pending, past, and future renewals online **24/7**.

- ✓ From the My Support Renewals homepage, see your **pending renewals** and **review details** as needed.
- ✓ With the click of a button, download a report of all your renewals.

### 3. Simplified Management

Establishing collaboration on your renewal process has never been easier:

- ✓ **Streamlined tools** empower you to choose with whom to **share renewal details** and whether they have “view only” rights or additional privileges.

### 4. Time Savings

- ✓ You can renew online with a few simple clicks, using a variety of payment options: Credit card, purchase order, invoice, and PayPal. Simply enter the required information and upload supporting documents as needed.
- ✓ Before proceeding to checkout, select your renewal method and confirm your billing details.
- ✓ Accept the **Terms & Conditions** and place your order. You'll receive a confirmation message and the transaction will be reflected in your renewal history.

With **Auto Renew**, you can automatically extend your support renewal for an additional period and beyond. It's your choice.

### 5. Ongoing Assistance

For questions **at any point of the process**, call or click “Live Chat” to engage an Oracle Support Renewal Rep.

## Renew Online Today
