

# Oracle Applications Unlimited Extended Through at Least 2032

*We listen carefully when our customers share their business needs and we recognize that your Oracle on-premise applications are critical to your success. We are committed to helping you succeed.*

## Applications and Support—an Unbeatable Combination

To demonstrate our ongoing commitment to your business, we are announcing an extension through at least 2032 for our Oracle Applications Unlimited Products including JD Edwards EnterpriseOne 9.2. Doing so provides you with more than a decade of ongoing product development, new features, and innovations on the Continuous Innovation releases and continued Oracle Premier Support.

As an Oracle Applications Unlimited customer, we are here to help support your company's plans. Your long-term business strategy guides your company to success—underpinning that success are the Oracle products and trusted support you depend on to run your business.

### Supporting Resources

- For more information on Continuous Innovation releases, please visit: [The JD Edwards EnterpriseOne Releases page](#)
- For more information on the Premier Support announcement, please visit: [Oracle Applications Unlimited and Oracle Premier Support](#)

Today's announcement demonstrates Oracle's continuing investment in JD Edwards products and our commitment to our customers to accelerate their path to business transformation.
